

BYP craft classes provide an opportunity for self-expression and creativity.
Join us as we learn the basic techniques of crafting!

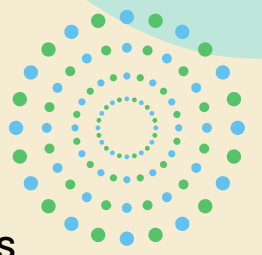

We will use a variety of materials and techniques in creative ways
as we explore projects in diverse media formats
(wood signs, cricut, jewelry, candles, soaps, etc.)

BYP Crafters will participate in The Front Porch Market
a small business model and follow an idea from seed to shelf!

All Classes will be held
in the crafting space at The Front Porch Market
